

To all MSVR Brands Hatch Marshals

January 2009

Dear Marshal

Since the end of the 2006 racing season there has been much discussion on the way forward concerning marshals guest passes at MSVR promoted race meetings at Brands Hatch.

In November 2006 Jonathan Palmer met with Stephen Green, Alan Vant, Tristan Harris & myself to address the matter.

At the same meeting MSV agreed discounts on MudMaster driving experience for marshals alongside the other incentives already in place.

For 2009, marshals will be issued with a pass carrying photo I.D. For the appropriate promoted event a sticker will be issued that, when affixed to the pass will allow the holder access to the circuit.

Each marshal is invited to nominate their guest pass holder normally husband or wife. Each guest pass will bear a photograph of the holder. Marshals families are very welcome and if you have children between the ages of 13 and 16 they will also be issued with a guest pass (with photo). Children 12 and under do not require a guest pass. Guests will not be required to arrive with the marshal.

As with the marshals pass, the guest pass will only be valid for the event if it has the event sticker attached.

I appreciate that, in the first instance, applying for the pass may seem a little complex but I'm sure you will, in the longer term, appreciate the value that it will bring.

The required form is attached.

Thank you for your understanding and I look forward to seeing you at MSVR events in 2009.

Best regards,

David Scott
