

## British Motorsports Marshals Club - (Midland Region)

### Training days - Donington Park – Saturday 28<sup>th</sup> and Sunday 29<sup>th</sup> January 2012

For: - New & Trainee (both days), Track, Experienced Track, Flag, IO and Specialist (Sunday only)

Sign on 0800

Enter the paddock via the main circuit entrance and then into the inner paddock; sign-on will be in the Paddock Suite. (The Paddock Suite is the big single story building diagonally opposite where you enter. Follow the crowd!) No tickets or further instructions will be issued. You will only be contacted if there is a change to the programme, date or location so it is essential that you let us have your contact details (preferably email).

All of the possible combinations of sessions are listed below: you can only tick ONE of the boxes. Ticking two boxes is impossible and wrong so if you are thinking of doing that: THINK AGAIN! If in doubt contact Jim Whitaker and let him sort your queries. Bring your personal record card (if you have one) with details of the day already filled in and hand in at sign-on.

Fire training is intended for those **requiring a signature** for a practical fire training session. If you don't require such a signature we cannot *guarantee* that we can put you through a practical fire. However, we will do our best to provide this continuation/refresher training but funds are very tight!

Keep the top half of this sheet as your reminder (REMINDER - I have volunteered for . . . . .) and send the bottom half to [m.training@marshals.co.uk](mailto:m.training@marshals.co.uk):
